

Public document to be completed by the Contracting Authority

INDIVIDUAL SUPPLY CONTRACT FORECAST

Supply of equipment for metrology and testing services

Ukraine

1. Publication reference

EuropeAid/126506/C/SUP/UA

2. Procedure

Open

3. Programme

TACIS

4. Financing

National Action Programme 2005 for Ukraine

5. Contracting authority

European Community, represented by the European Commission, for and on behalf of the Government of Ukraine

6. Contract description

The equipment currently in use by metrological and testing services in Ukraine is mainly of former Soviet Union origin and is outdated (partially over 50-year old). The purpose of the contract is to upgrade the said services thanks to state-of-the-art measuring, metrology, calibration and testing equipment for providing high level calibration service for industries, research institutions as well as for legal metrology activities for consumer protection. The equipment will be delivered to the cities of Kyiv, Kharkiv, Ivano-Frankivsk and Lviv.

7. Indicative number and titles of Lots

Lot 1 "Mass, Acoustics, Flow and Force Measurement Laboratories"

Lot 2 "Electric, High Frequency, EMS, Capacitance Measurements, Power and Power Factor Measurement Laboratories; Scientific and Research Departments"

Lot 3 "Temperature, Contact Thermometry, Humidity Measurement Laboratory, Optical Measurement Laboratory, Photometry"

Lot 4 "Time, Dimensional and Length Metrology"

Lot 5 "Ionising Radiation"

8. Intended timing of publication of the procurement notice

March 2008

9. Additional information

None.

10. Legal basis

EC Council Regulation (EC, Euratom) N° 99/2000 of 29 December 1999 concerning the provision of assistance to the partner States in Eastern Europe and Central Asia.

Remarks:

There must be a minimum period of 30 calendar days between the publication of this contract forecast and the publication of

the corresponding procurement notice.

No applications or requests for further information should be sent at this stage.
