'AL NADA NEW EXPANSION AREA: Design and Supervision of Four Severely Damaged Buildings

Company/Consultant office : *Enfra* Office

Evaluation Average Score

Strengths	Design	Excellent
	Supervision	
Weaknesses	Design	
	Supervision	Good

Excellent : 85% - 100% , Very good : 78% - 84%, Good : 70% - 78%, Fair : 60% - 69% and Weak : < 60%

Notes: The Initial assessment column was left empty because the tenders who applied for this tender had applied for the infrastructure design and supervision tender where the evaluator team had the experience to go directly to the second column whereas no need to go to the third column because these tenderers well known to the ministry staff through executing many projects to the ministry and the other partners
